

IRREGULAR

ALTERNATIVE HOUSING

YOU ARE INVITED

You may be aware that Irregular Cornwall has submitted a planning application for 260 student homes on a brownfield site in Penryn.

The developer is keen for as many people as possible to appreciate the benefits of this forward-thinking project, which will provide the accommodation in recycled shipping containers.

We are delighted to invite you to visit a show home at the proposed site in South Kernick, where you will be able to experience at first-hand how the proposed hi-tech, eco-friendly units will look and feel.

You will also have the opportunity to discuss the progress of the plans and ask questions about the project and the units.

The container will be located at the proposed site in Kernick on **Thursday 31st August and Friday 1st September 2017 from 10:00-16:00**

2-3 Britannia Business Park,
Kernick Road, Penryn TR10 9DD

We hope that you will be able to join us, **please RSVP to info@irregularcornwall.com** to confirm your attendance.
